

You are here: [Home](#) / [National Organic Program](#)

AMS is responsible for providing oversight to accrediting certifying agents and their certification of organic production and handling operations. On an annual basis, AMS receives information about these operations from each of the accredited certifying agents. The form below will allow you to search for certified operations based on specific criteria. You can use one or all of the fields to conduct your search by entering or selecting the required information in the table header.

NOP Certified Operations								
Ref#	Certifying Agen	Operations	Certificate No.	Primary Scope	Secondary Scope	State	Country	Products Produced
	ICEA - Instituto per la						Mexico	
77367	ICEA - Instituto per la	EL CORRAL	NP676	Crop	Not Applicable	MICHOACAN	Mexico	FRUIT
